Digital Transformation Summit.
Agenda, Tuesday 1 August 2017.

Time	Utilities	Mining	Transportation
07:30	**Registration** Arrival tea and coffee		
08:30	**Welcome and Safety Moment** Tauno Heinola - Managing Director Australia, ABB Kennet Wilhelmsson - President APAC Enterprise Software, ABB		
09:00	**ABB Ability. How we Harness the Power of Digital to Drive Progress with our Customers Every Day** Rick Nicholson Global Product Management & Marketing Enterprise Software, ABB		
09:30	**ABB and Microsoft's Strategic Partnership. Driving the Digital Industrial Transformation** Laurie Tolson Global Head of Enterprise Software, ABB		
09:45	**The Future is dead. Long Live the Future!** Matt Furse Digital Transformation Specialist, Microsoft		
10:30	**Morning Tea** Visit solution showcase		
11:00	**Emerging Cyber Threats to Australia's Critical Infrastructure** Frank Bruzzaniti Senior Specialist Organised Crime & Cyber, Australian Federal Police		
11:30	**Horizon Power's Transformation and Innovation** Mike Houlahan General Manager Commercial Services & Finance, Horizon Power		
12:15	**Lunch** Visit solution showcase		
13:15	**Business Transformation in the Digital Era – Opportunities & Risks** Kim Wood Principal Commissioner Queensland Productivity Commission		
14:00	**Exponential Changes Must be Built on Solid Foundations** John McGagh Chief Digital Officer – Snowy Hydro		
14:45	**Afternoon Tea** Visit solution showcase		
	Utilities	**Mining**	**Transportation**
15:15	**Digitised Substations are already here!** Stewart Bell Executive General Manager, Delivery and Technical Solutions – Powerlink Queensland	**Getting from Data to Decisions that drive Business Outcomes in the Mining Industry** Paul Higgins Chief Executive Officer – Dingo	**Empowering Intelligent Transport** Matt Furse Digital Transformation Specialist Microsoft
16:00	**Connected Asset Lifecycle Management (CALM) – Utilities** Rick Nicholson Global Product Management & Marketing Enterprise Software – ABB	**Connected Asset Lifecycle Management (CALM) – Mining** Jane Phillips Industry Solutions Executive – ABB	**ABB Ability – Modern Transportation Solutions** Sean Stove Rail Sector Manager – ABB
16:30	**Panel discussion** Customers and industry experts	**Operations Excellence as a Service – Mining Excellence in the Digital Age** George McCullough Director of Strategy – Interlate	**Connected Asset Lifecycle Management (CALM) – Transportation** Simon Wrench Industry Solutions Executive – ABB
17:00	**Drinks and Canapes**		
18:30	**Gala Dinner** With surprise entertainment

Agenda, Wednesday 2 August 2017.

	Ellipse	MineMarket / CCLAS	MineScape	Axis	LinkOne	Microgrid Solutions	Substation Automation
08:00	**Registration** Arrival tea and coffee						
08:45	**Welcome** Kennet Wilhelmsson - President APAC Enterprise Software, ABB						
09:00	Overview **Ellipse product roadmap** Latest solutions & cloud services	Combined session **Intelligent Mining Solutions** General session		Overview **Product Roadmap**	Overview **Product Roadmap**	Overview **Latest technologies & solutions**	Overview **Latest technologies & solutions**
09:45	User experience **Connected Asset Lifecycle Management (CALM) & examples** maintenance, contractor mgmt., planning & more	**Digital Transformation Speed Networking Hour**		Customer Story **Contractor Works Management** Improving contractor efficiency through mobile and the cloud	User experience **New LinkOne UI**	Part 1 **Customer Use Case**	Presentation **Digital Substation**
10:30	**Morning Tea** Visit solution showcase						
11:00	Part 1 - Session 1 **New Ellipse Application Familiarisation** Inspection lifecycle management, Procure-to-pay best practice, Grants admin	Presentation **Integrated Mine Operations**	Part 1 **What's New in MineScape 6.0** Session 1 Bruce Jiang	Customer Story **Procure-to-Pay - Supplier Portal** Supply chain efficiency through electronic procure-to-pay	Partner Story **Presentation**	Case Study 1 **Build a strong business case for an offgrid mine**	Presentation **Cybersecurity for substations**
11:45	Part 1 - Session 2 **New Ellipse Application Familiarisation** Customer case studies	Presentation **Collaborative Operations Management** MineMarket Production Accounting	Presentation **Modelling in the Surat Basin** Professor Joan Esterle	Presentation **Procure-to-Pay - Supplier Portal** New Axis UI	**Customer Story**	Case Study 2 **Build a strong business case for a grid connected commercial application**	Presentation **Wireless Communication**
12.30	**Lunch** Visit solution showcase						
13.30	Part 2 - Session 1 **Australian Government Reporting** PdM maintenance, Warranty lifecycle mgmt., Asset planning & Australian government reporting	Presentation **Scientific Data to Wisdom – The Digital Transformation Journey to the Intelligent Laboratory** Terryl Kibodeaux	Part 2 **What's New in MineScape 6.0** Bruce Jiang	Combined session **Parts & Services Store** The one-stop, graphical, online shopping solution for complex machines		Presentation **Energy Portfolio Management End to end solutions for effective microgrid portfolio management**	Presentation **Network Control**
14.15	Part 2 - Session 2 **Customer Case Studies**	Presentation **Real Time Feedback Operations Management** MineMarket/ Production Accounting	Presentation **MineScape Roadmap** Marc Poualion	Customer Story **Electronic Catalogue** Reduce off-contract purchasing to realise negotiated savings	Customer Story	Part 2 **Customer Use Case**	Presentation **Distribution Automation**
15.00	**Afternoon Tea** Visit solution showcase						
15.30	Part 3 **Scheduling best practice, Materials demand and forecasting & Technology update**	Presentation **Managing Uncertainty** Supply Chain MineMarket/ Production Accounting	**MineScape Open Forum**	Q&A **Customer round table**	Customer Story	Presentation **Digital Transformation Roadmap for ABB Ability connecting Microgrids and Distributed Generation; from wireless to MicroSCADA**	Q&A **Customer round table**
16.15	Q&A **Customer round table** With session summaries	Presentation **Managing Uncertainty** Laboratory Operations CCLAS	**MineScape Open Forum**	Presentation **Contractor Works Management** contractor efficiency Mobile & the cloud	Q&A **Customer round table**	Q&A **Customer round table**	
17.00	**Farewell drinks**
