

# TRANSFORM EXCESS INVENTORY

Generate new revenue streams through your excess components or surplus inventory. Converge helps supply chain leaders achieve greater business outcomes through unique data-driven offerings.

## THE PROCESS

## PROGRAM SOLUTIONS

*Excess material evaluation & seamless inventory transfer*

### OUTRIGHT BUY - Quickest Return on Investment

- ✓ Reduce carrying charges & admin costs
- ✓ Eliminate cost of scrapping material
- ✓ Estimated spot market value

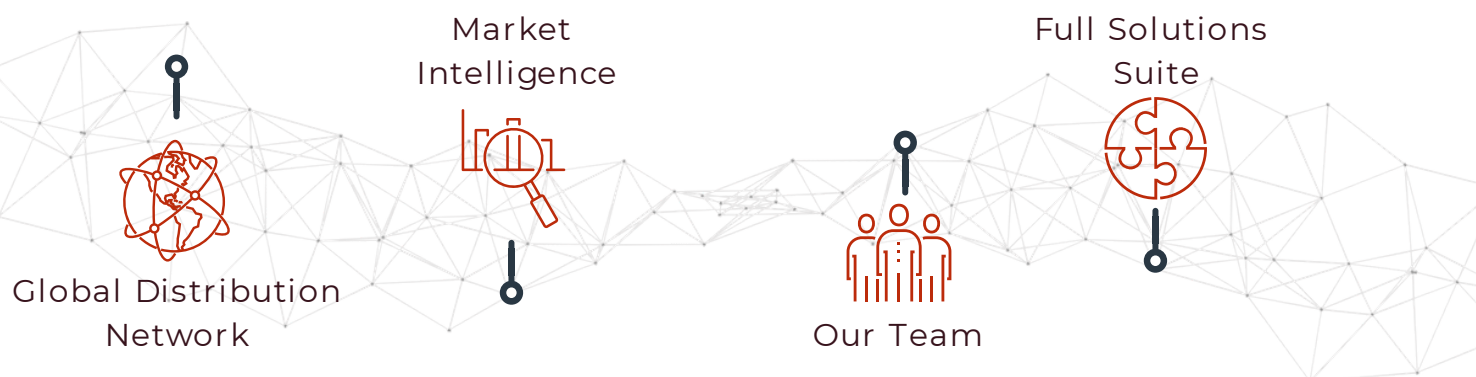

### CONSIGNMENT - Maximize Value Recovery

- ★ Recommended for mid-to-low liquid assets
- ★ Real-time visibility & rebalancing options
- ★ Monthly sales reporting

**DISPOSE** - If value recovery is unlikely dispose the product(s) through other channels in an environmentally friendly manner
