Using only Original HP cartridges can give you confidence your HP printing system will perform within Blue Angel guidelines.

Do you use Blue Angel as a purchase requirement?
Don’t compromise on health and indoor air quality

Through all phases of product development, HP works hard to deliver high-quality toner cartridges that can not only meet your printing needs, but also your IAQ guidelines. With Original HP toner cartridges, you can help:

- Maintain a healthy indoor office environment
- Prevent exposure to elevated levels of volatile organic compounds (VOCs)
- Meet Blue Angel or other eco-label purchasing requirements
