# MISSION CRITICAL APPLICATIONS

## LOCATION

Expand your visibility

Keep a close eye on everybody and everything at all times to improve safety and enhance command operations.

### OUTDOOR GPS LOCATION

**Easily track the location** of both vehicles and personnel through a dedicated GPS receiver or by integrating the GPS functionality in your radio.

### ENHANCED GEO SELECT

**Combine location, mapping and geofences** so your radios can automatically switch talkgroups based on geographic location.

### INTERFERENCE LOCATOR ASSISTANCE

**Quickly triangulate** on the source of interference on your channel frequencies.
