

WEBSITES

A WEBSITE BUILT TO WELCOME AND SERVE.

Imagine a digital front door that's as welcoming as your parish community. Engage, inform, and inspire your parishioners and new visitors with a website that invites them to become actively involved with your parish and the Church. With a simple and intuitive platform, even the least tech savvy staff member will have your parish website up and running in no time.

- Select from beautiful templates that welcome, inform, and inspire
- Integrate engaging Catholic content alongside mass times, announcements, events, and more
- Utilize multi-language support to reach all audiences
- Connect to Online Giving for donations and contributions
- Experience outstanding customer service and support

MORE THAN MASS TIMES.

Beautiful, Inspiring Templates

You can choose from one of our beautiful, **full-width, mobile responsive templates** or create a look of your own that reflects your parish's personality with the ability to customize nearly every element. Our simple **drag-and-drop** platform allows your parish to create a stunning website without any technical expertise.

Multi-Language Support

OSV Websites come with the integrated ability to support 68 languages. You can select which languages to offer your parishioners through a simple dropdown on your site. These translations can either be automatically translated by Google or entered manually by a fluent speaker at your parish.

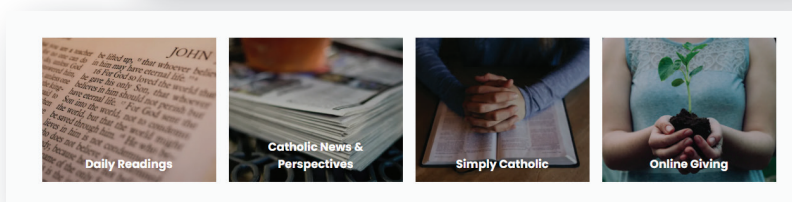

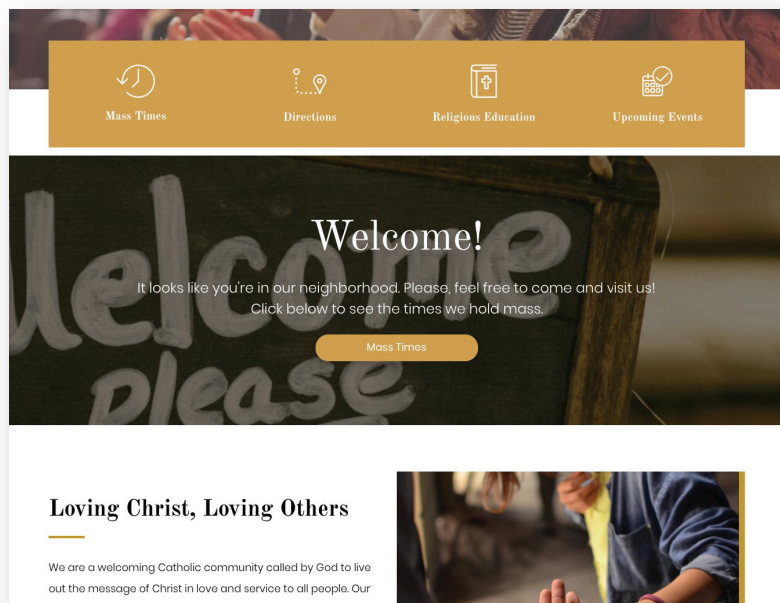

osv.com

Tailored Messaging

Your OSV website can react to site visitors with tailored messaging based on criteria such as: number of visits, geographic location of the visitor, and even the time of day. This enables your parish to display Mass times to people near your parish, share holiday messages, welcome visitors who have never come to the site before, and display special notices leading up to events.

Dynamic Content

Inspire your website visitors with OSV Talks — a series of topics from prominent Catholic leaders to spark discussion, explore Catholic beliefs, and inspire innovation. Additionally, benefit from 30 prebuilt pages of content on the Catholic faith as well as rotating content from OSV's newspaper and magazines, so you don't have to always write your own.

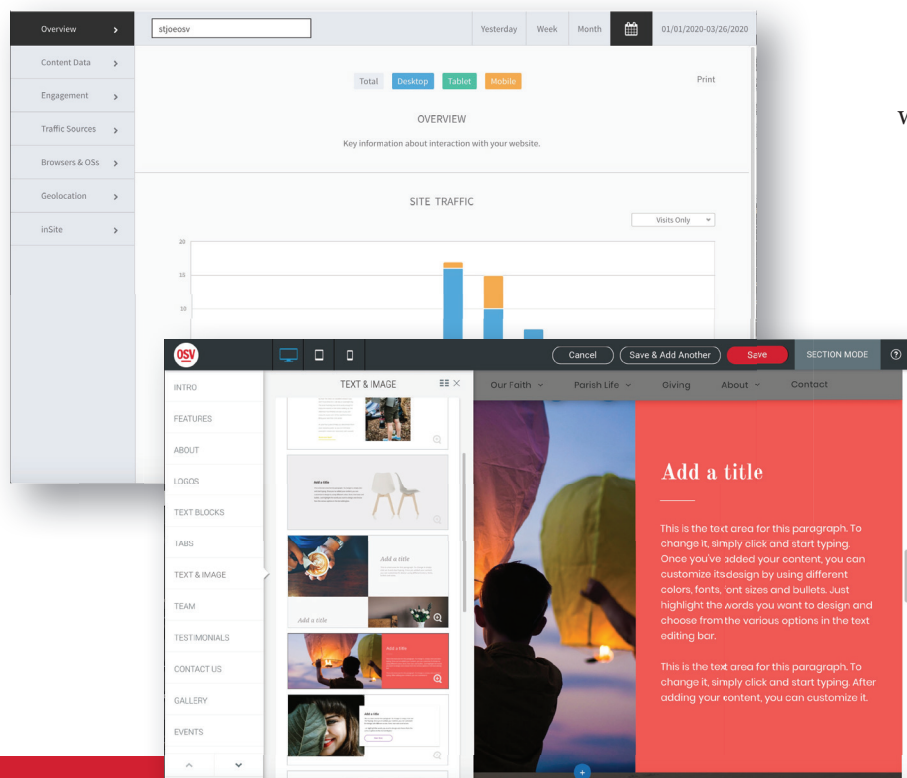

Site Statistics

Integrated, easy to understand analytics are built directly into our platform. See how many people are visiting, what pages are being visited the most, what browsers and mobile devices they are coming from, and more. Your parish can also monitor engagement with your tailored messaging to evaluate its effectiveness.

Drag-And-Drop Sections

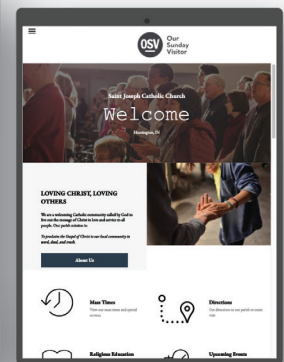

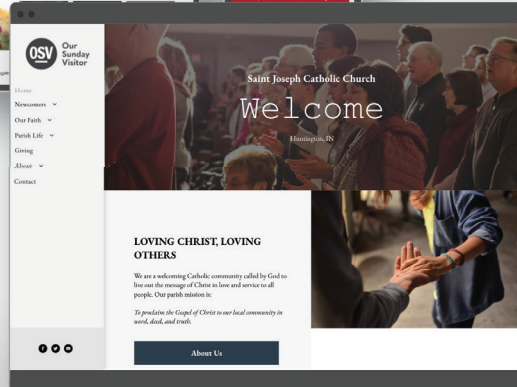

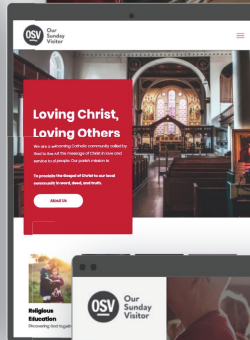

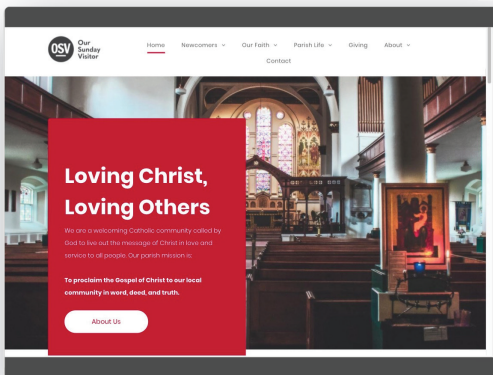

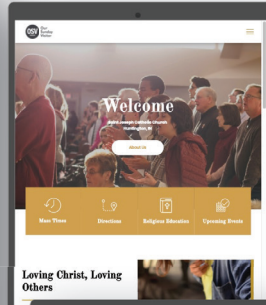

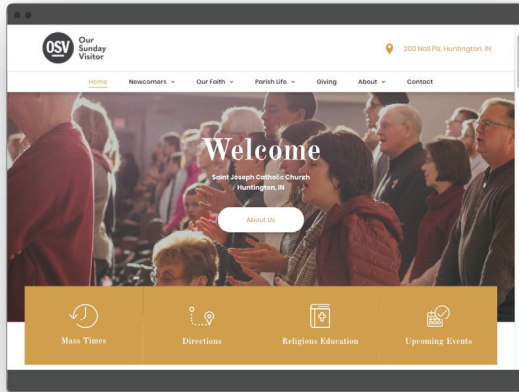

OSV websites make it easy for your staff to customize your site. We provide templated sections, so adding custom elements is as simple as selecting the template that suits your purpose. Need to add a slider or a promotion for an event or campaign? Select from our templates and customize to get your content up quickly.
